Executive Summary

One PR is stalled: euxaristia/VoxelPopuli#2 (26 days, review feedback unaddressed).

Two PRs are stale with no maintainer response: microsoft/node-pty#901 (65 days, CLA pending) and charmbracelet/glow#937 (21 days, no review).

5 PRs are in active review cycles: QwenLM/qwen-code#2838, google-gemini/gemini-cli#26498, euxaristia/adapt#1, clockworklabs/SpacetimeDB#4773, euxaristia/tree-sitter#1. These have received feedback and the author has pushed follow-up commits addressing the concerns.

3 PRs are pending initial review: euxaristia/gemini-cli#3, anomalyco/opencode#25355, charmbracelet/glow#937.
